- Weekly storytimes are amazing & the pre-teen craft events are equal in excellence
- I love the atmosphere, the Children's Area, study rooms.
- The fireplace! :-) & the tree in the kids place :-) that's what make this place a little xtra special
- Location, spaciousness & fireplace. I like that the staff can help me c the computer!
- Baby and preschool storytime. Open space to play/read/color.
- movies, crafts, books, computers, all the options, sitting outside
- Storytime lady rocks!
- The children's area is filled with creative, imaginative toys that are a great to come play with. It the best place in town to interact with other kids, especially those not old enough for preschool. My 2 year old and 3 year old are learning skills that will help them with starting school and throughout life. We treasure storyline and babytime since it's such,a gift to our community. Thank you!
- "I like the books best" "I like the spider on the tree" - Madeline age 5 I like the story time and craft best. I love how my girls are always greeted by a friendly librarian who gives them stamps upon entering.
