
WHAT WE DO

If limited mobility
prevents library visits,
Outreach Services can
help! We bring your
library materials to you.

One-time or regular visits
are possible.

WE COULD BRING ...

MOVIES & AUDIOBOOKS

Recent and classic movies are available, including documentaries and how-to DVDs. The library also has a giant selection of audiobooks and receives new ones often!

MAGAZINES & MUSIC

The library has more than 150 magazine subscriptions, along with a stash of donated magazines to share. All types of music are ready for checkout.

AND OF COURSE: BOOKS

So many subjects await! Outreach patron favorites include our large-print collection, mysteries, art, biographies, graphic novels, gardening, house projects, and history.

WHETHER YOUR
REDUCED MOBILITY
IS TEMPORARY OR
PERMANENT,
OUTREACH SERVICES
CAN ASSIST.
